WHY SHOULD YOU PARTNER WITH US?

Partnering with the **GAPIO 2025** offers your organization an exceptional opportunity to connect with a highly targeted and influential audience in the healthcare sector. With presentations from **renowned national and international doctors** and sessions covering the latest advancements across multiple specialties, the event draws attention from **general practitioners**, specialists, and healthcare professionals. Your brand will be prominently showcased among decision-makers who shape the future of healthcare, providing you with unmatched visibility and engagement opportunities. By aligning with this prestigious event, you will reinforce your commitment to medical excellence and innovation, enhancing your brand's reputation within the medical community.

Additionally, as a sponsor, you will have the chance to build valuable relationships and foster collaborations with experts in the field, while showcasing your products, services, and solutions to a relevant audience. Whether you aim to increase brand recognition, generate leads, or contribute to the advancement of medical knowledge, partnering with us will ensure that your organization plays a key role in driving progress in healthcare. Your support will not only help make this conference a success but will also position your brand as a leader and advocate for the medical community's continued growth and development.

MESSAGE FROM LOCAL ORGANISING TEAM

Dear Colleagues,

Global Association of Physicians of Indian Origin (GAPIO), is an international professional body involving Indian origin physicians across the globe and is involved in regular academic activities. We are happy to inform you that next annual meeting of GAPIO will be held at the Hotel Radisson Blu Plaza, Mysore, Karnataka on 18th and 19th January 2025. This academic feast will involve nationally and internationally renowned doctors from USA, Canada, UK, Australia, Europe and of course India. We have scientifically selected topics of contemporary interest and will cover almost all major sub-specialities of medicine.

As an influential player in the healthcare sector, your sponsorship will not only provide you with unparalleled visibility and networking opportunities but also contribute to the advancement of medical knowledge and practices in our community. By aligning with our conference, you can showcase your commitment to healthcare excellence and innovation, engaging directly with key decision-makers and professionals in the medical field.

We are delighted to extend an invitation for your esteemed organization to be a part of this prestigious event, organized by the **GAPIO**, making it a unique platform for knowledge exchange and professional growth.

The conference will feature **mixed presentations from renowned experts**, covering the latest advancements and innovations in the field of medicine. In addition, special parallel sessions will focus on **Nutrition and Physiotherapy**, further broadening the scope of discussion. Our audience will predominantly consist of **general medical practitioners from Mysore and the surrounding regions**, along with a diverse delegation of healthcare professionals from across India and abroad.

We invite you to review the sponsorship opportunities outlined in this brochure and consider partnering with us to make this event a grand success. Together, we can foster an environment of learning, collaboration, and progress that will benefit the entire medical community.

We look forward to your valuable support and collaboration.

Warm regards,
Organizing Committee
GAPIO 2025

ABOUT GAPIO

Global Association of Physicians of Indian Origin (GAPIO), a non-profit organization established in 2011. Padma Vibhushan, Dr Prathap C Reddy, Chairman of Apollo Hospitals Group is the Founder President of GAPIO along with Dr Sanku Rao – Past President of AAPI, USA and Dr Ramesh Mehta – President of BAPIO, UK.

The aim of the organization is to bring together 1.4 million physicians of Indian origin in the world on one professional platform. This substantial workforce of physicians is a valuable resource, which can help in mobilizing significant developments in healthcare globally as well as in India.

GAPIO has a presence in 58 countries. GAPIO members belong to various medical specialities and super specialities and include several Padma awardees, Dr B C Roy awardees, recipients of national and international awards.

GAPIO is dedicated to its vision of "Improving Health Worldwide" by organizing various community service projects in different parts of the country. These community service projects are organized to provide free basic healthcare to the poor, needy and deserving.

GAPIO Vision

- Improving Health Worldwide

GAPIO Mission

- To empower physicians of Indian origin to achieve highest professional standards.
- To provide affordable good quality healthcare.
- To contribute to local and regional community development and thereby help to reduce health inequalities and alleviate suffering globally.
